**AGNICO EAGLE ANNOUNCES INVESTMENT
IN MAPLE GOLD MINES LTD.**

Toronto (October 8, 2020) – Agnico Eagle Mines Limited (NYSE: AEM, TSX: AEM) ("Agnico Eagle") announced today that it has agreed to subscribe for 25,838,821 units ("Units") of Maple Gold Mines Ltd. (TSX-V: MGM) ("Maple") in a non-brokered private placement at a price of \$0.239 per Unit for total consideration of approximately \$6,175,478 (the "Private Placement"). Each Unit is comprised of one common share of Maple (a "Common Share") and one common share purchase warrant of Maple (a "Warrant"). Each Warrant entitles the holder to acquire one Common Share at a price of \$0.34 for a period of three years following the closing date of the Private Placement, subject to acceleration of the expiry date, at the option of Maple, in the event the Common Shares trade on the TSX-V above \$0.60 for a period of twenty consecutive trading days at any time following two years from the closing date of the Private Placement. Closing is expected to occur on or about October 9, 2020 and is subject to certain conditions.

In addition to the Private Placement, Agnico Eagle and Maple have entered into a binding term sheet (the "Binding Term Sheet") that contemplates the formation of a 50-50 joint-venture, which will combine Maple's Douay Project and Agnico Eagle's Joutel Project into a consolidated joint property package (the "Joint Venture"). The Douay Project and Joutel Project are adjacent properties located in the Abitibi region of Quebec, and the Joutel Project hosted Agnico's past-producing Telbel mine. Subject to the terms and conditions of the Binding Term Sheet, Agnico Eagle and Maple Gold have agreed to negotiate in good faith and use commercially reasonable efforts to enter into a definitive joint venture agreement within three months of signing the Binding Term Sheet. The Binding Term Sheet provides, among other things, that (i) Agnico Eagle will fund \$18 million in exploration expenses over a four-year period; (ii) Agnico Eagle and Maple will jointly fund an additional \$500,000 in exploration of VMS targets on the western portion of the Douay Project; and (iii) Agnico Eagle and Maple will each be granted a 2% NSR on the property that they contribute to the Joint Venture, each with aggregate buyback provisions of US\$40 million.

Agnico Eagle currently owns 11,764,706 Common Shares, representing approximately 4.4% of the issued and outstanding Common Shares on a non-diluted basis. On closing of the Private Placement, Agnico Eagle will own 37,603,527 Common Shares and

25,838,821 Warrants, representing approximately 12.84% of the issued and outstanding Common Shares on a non-diluted basis and 19.90% of the issued and outstanding Common Shares on a partially-diluted basis.

Agnico Eagle and Maple have agreed to enter into an investor rights agreement on closing of the Private Placement pursuant to which Agnico Eagle will be granted certain rights, provided Agnico Eagle maintains certain ownership thresholds in Maple, including: (i) the right to participate in equity financings in order to maintain its *pro rata* ownership in Maple at the time of such financing or acquire up to a 19.90% ownership interest in Maple; and (ii) the right (which Agnico Eagle has no present intention of exercising) to nominate one person (and in the case of an increase in the size of the board of directors of Maple to eight or more directors, two persons) to the board of directors of Maple.

Agnico Eagle is acquiring the Common Shares and the Warrants for investment purposes. Depending on market conditions and other factors, Agnico Eagle may, from time to time, acquire additional Common Shares, common share purchase warrants or other securities of Maple or dispose of some or all of the Common Shares, common share purchase warrants or other securities of Maple that it owns at such time.
