### **Forward-Looking Information**

*This news release contains forward-looking statements that are based on the Company's expectations, estimates and projections regarding its business and the economic environment in which it operates, including, without limitation, statements regarding the timing and completion of necessary accounting and review procedures to complete the Annual Filings and other factors beyond our control. Although Block One believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and involve risks and uncertainties that are difficult to control or predict. Therefore, actual outcomes and results may differ materially from those expressed in these forward-looking statements and readers should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in forward-looking statements include general economic, market or business conditions, including the general acceptability of blockchain, risks associated with regulatory changes and the retail sector generally, availability of personnel, materials and equipment on a timely basis, accidents or equipment breakdowns, uninsured risks and receipt of necessary TSX Venture Exchange approvals. Important risks that could cause the Company's actual results, revenues, performance or achievements to differ materially from the Company's expectations include, among other things, risks found in the Company's audited annual financial statements for the year ended August 31, 2017, which is available on SEDAR at [www.sedar.com](http://www.sedar.com). These forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to update them publicly to reflect new information or the occurrence of future events or circumstances, unless otherwise required to do so by law.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
