

Clare Colledge Named President of ESC Corporate Services Ltd.

REGINA, Saskatchewan, Oct. 09, 2018 -- Information Services Corporation ("ISC®" or the "Company") (TSX:ISV) today announced that Chris Valentine, President of its wholly-owned subsidiary ESC Corporate Services Ltd. ("ESC"), will be stepping down from his role, effective November 1, to focus on other opportunities. He will continue with ISC in an advisory role.

Jeff Stusek, President and CEO said, "I would like to thank Chris for the strong strategic leadership he has provided following ISC's acquisition of ESC in 2015. I am very pleased that he has agreed to stay on with ISC and continue to play a part in our ongoing journey."

Concurrently, the Company is pleased to announce that Clare Colledge, ESC's Chief Operations Officer, will succeed Chris as President of ESC. Clare joined ESC in 2016 as Vice President, Business Development and has been instrumental in driving the growth of ESC.

Stusek commented, "Clare's extensive experience and proven track record make her the right person to take over the leadership of our Services segment. I look forward to her joining our Senior Leadership Team and have every confidence that she will deliver results and value to shareholders."

Clare brings more than 20 years' experience working with Canadian financial institutions consulting and delivering innovative lending technology solutions that comply with diverse registry and regulated requirements and credit/risk policy requirements such as customer on-boarding (anti-money laundering/know-your-customer), collateral management, default management and legal due diligence. Prior to joining ESC, Clare held responsibility for strategic direction and business growth within diverse businesses including D+H, Equifax, FCT and GE.

About ISC

Headquartered in Canada, ISC® is the leading provider of registry and information management services for public data and records. Throughout our history, we have delivered value to our clients by providing solutions to manage, secure and administer information through our Registry Operations, Services and Technology Solutions segments.
