

48North Enters Into \$25 Million Bought Deal Equity Financing

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

TORONTO, March 12, 2019 (GLOBE NEWSWIRE) -- 48North Cannabis Corp. (TSXV:NRTH) ("48North" or the "Company"), is pleased to announce that it has entered into a letter of engagement with Eight Capital, under which Eight Capital has agreed to purchase, as sole bookrunner and lead underwriter, along with a syndicate of underwriters (the "Underwriters"), 18,382,400 units of the Company (the "Units"), on a "bought deal" basis pursuant to a filing of a short form prospectus, subject to all required regulatory approvals, at a price per Unit of \$1.36 (the "Issue Price") for gross proceeds of \$25,000,064 (the "Offering").

The Company has agreed to grant the Underwriters an over-allotment option to purchase up to an additional 15% of the Units at the Issue Price, exercisable in whole or in part, at any time on or prior to the date that is 30 days following the closing of the Offering. If this option is exercised in full, an additional approximately \$3,750,000 will be raised pursuant to the Offering and the aggregate proceeds of the Offering will be approximately \$28,750,064.

Each Unit will be comprised of one common share of the Company (a "Common Share") and one-half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant shall entitle the holder thereof to purchase one Common Share at an exercise price of \$1.72, for a period of 60 months following the closing of the Offering. If, following the closing of the Offering, the volume weighted average price of the Common Shares on the TSX Venture Exchange is equal to or greater than \$3.30 for any 10 consecutive trading days, the Company may, upon providing written notice to the holders of Warrants, accelerate the expiry date of the Warrants to the date that is 30 days following the date of such written notice.

The Company intends to use the net proceeds of the Offering to fund inventory and for working capital and general corporate purposes.

The closing date of the Offering is scheduled to be on or about April 2, 2019 and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange and the applicable securities regulatory authorities.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an

applicable exemption from the registration requirements of the United States Securities Act of 1933, as amended, and applicable state securities laws.

About 48North

48North Cannabis Corp. is a vertically integrated cannabis company focused on the health and wellness market through cultivation and extraction, as well as the creation of innovative, authentic brands for next-generation cannabis products. 48North is developing formulations and manufacturing capabilities for its own proprietary products, as well as positioning itself to contract manufacture similar products for third parties. 48North operates two indoor-licensed cannabis production sites in Ontario with more than 86,000 square feet of production capacity. 48North cultivates unique genetics at its wholly owned subsidiaries, DelShen Therapeutics Corp. ("DelShen") and 2599760 Ontario Corp. dba Good & Green, both Licensed Producers under the Cannabis Act. In addition, 48North expects to operate a 100-acre organic farm providing 48North with organic, sun-grown cannabis securing a significant first-mover advantage in the production of low-cost, next-generation, extract-based cannabis products. 48North has a growing portfolio of brands that include Latitude, a women's cannabis platform (explorelatitude.com), Mother & Clone, a rapid-acting sublingual cannabis nanospray (momandclone.com) and Avitas, a single strain vaporizer cartridge (avitasgrown.com).

Forward-Looking Information

This press release contains forward-looking information based on current expectations. These statements should not be read as guarantees of future performance or results. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements. Although such statements are based on management's reasonable assumptions, 48North assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by law. Although the Company believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. These statements speak only as of the date of this press release. Actual results could differ materially from those currently anticipated due to a number of factors and risks including various risk factors discussed in the Company's disclosure documents, which can be found under the Company's profile on www.sedar.com. This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended and such forward looking statements are made pursuant to the safe harbour provisions of the Private Securities Litigation Reform Act of 1995. The TSXV has neither reviewed nor approved the contents of this press release.
